

# LOCKOUT/TAGOUT COMPLIANCE SERVICES

**Hygieneering, Inc.**

Environmental, Health and Safety  
Consulting Services

*Helping our clients protect their workers from injury by the unexpected re-energization or release of stored energy while working on machines and equipment.*

Hygieneering's expert team of workplace health and safety professionals can effectively evaluate/update your current Lockout/Tagout program or develop/establish a new OSHA compliant program to safely support your operations.

**Hygieneering's team of trained and experienced professionals will:**

- ✓ Develop/update your site's Written Lockout/Tagout Management Program
- ✓ Create Machine-Specific Energy Control Procedures for every piece of equipment in your facility
- ✓ Provide training to both authorized and affected employees
- ✓ Procure locks, tags, and devices that are specific for lockout/tagout and uniform in make and color
- ✓ Annually audit every Machine-Specific Energy Control Procedure and authorized employee

**Contact Kevin Konkey today to make sure your business is safe & compliant!**
